812 Burr Oak Drive
 Westmont, Illinois 60559
 Phone: (630) 325-7717 ~ Fax: (630) 325-7719
 Email: Sales@ReischPad.com

Printing Pads

All Reisch pad-transfer printing pads are available in several color-coded durometers. Hundreds of standard as well as custom molds are in stock, and custom pad development is one of our strengths. Molds for more than 1,000 different shapes and sizes are in stock and available for immediate use.

The measurements below are the pads only. Measurements are taken from where the pad would eventually meet the base. To get total height you need to add the thickness of the base the pad is mounted on. Below is an example of base materials with its thickness.

M mount base is Aluminum and measures 1/4."

T mount base is plywood and measures 3/8."

A mount base is plywood and measures 5/8."
